

eduQUTE

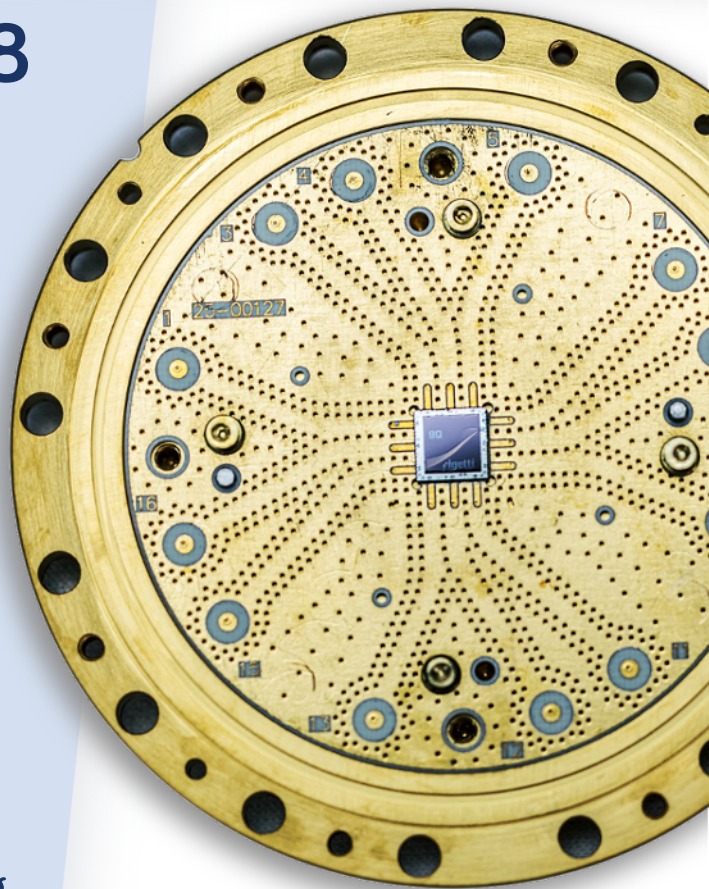

Quantum Technology School

19.-22. February 2018

QUTE Auditorium
Quantum Technologies Pavilion
Slovak Academy of Sciences
Dúbravská cesta 9
Bratislava, Slovakia

Topics:

- > Introduction to quantum information processing
- > Introduction to superconducting qubits
- > Introduction to quantum algorithms
- > Quantum entanglement in magnetic systems
- > Topological materials

Register at:
www.qute.sk
